

**Interreg III B**

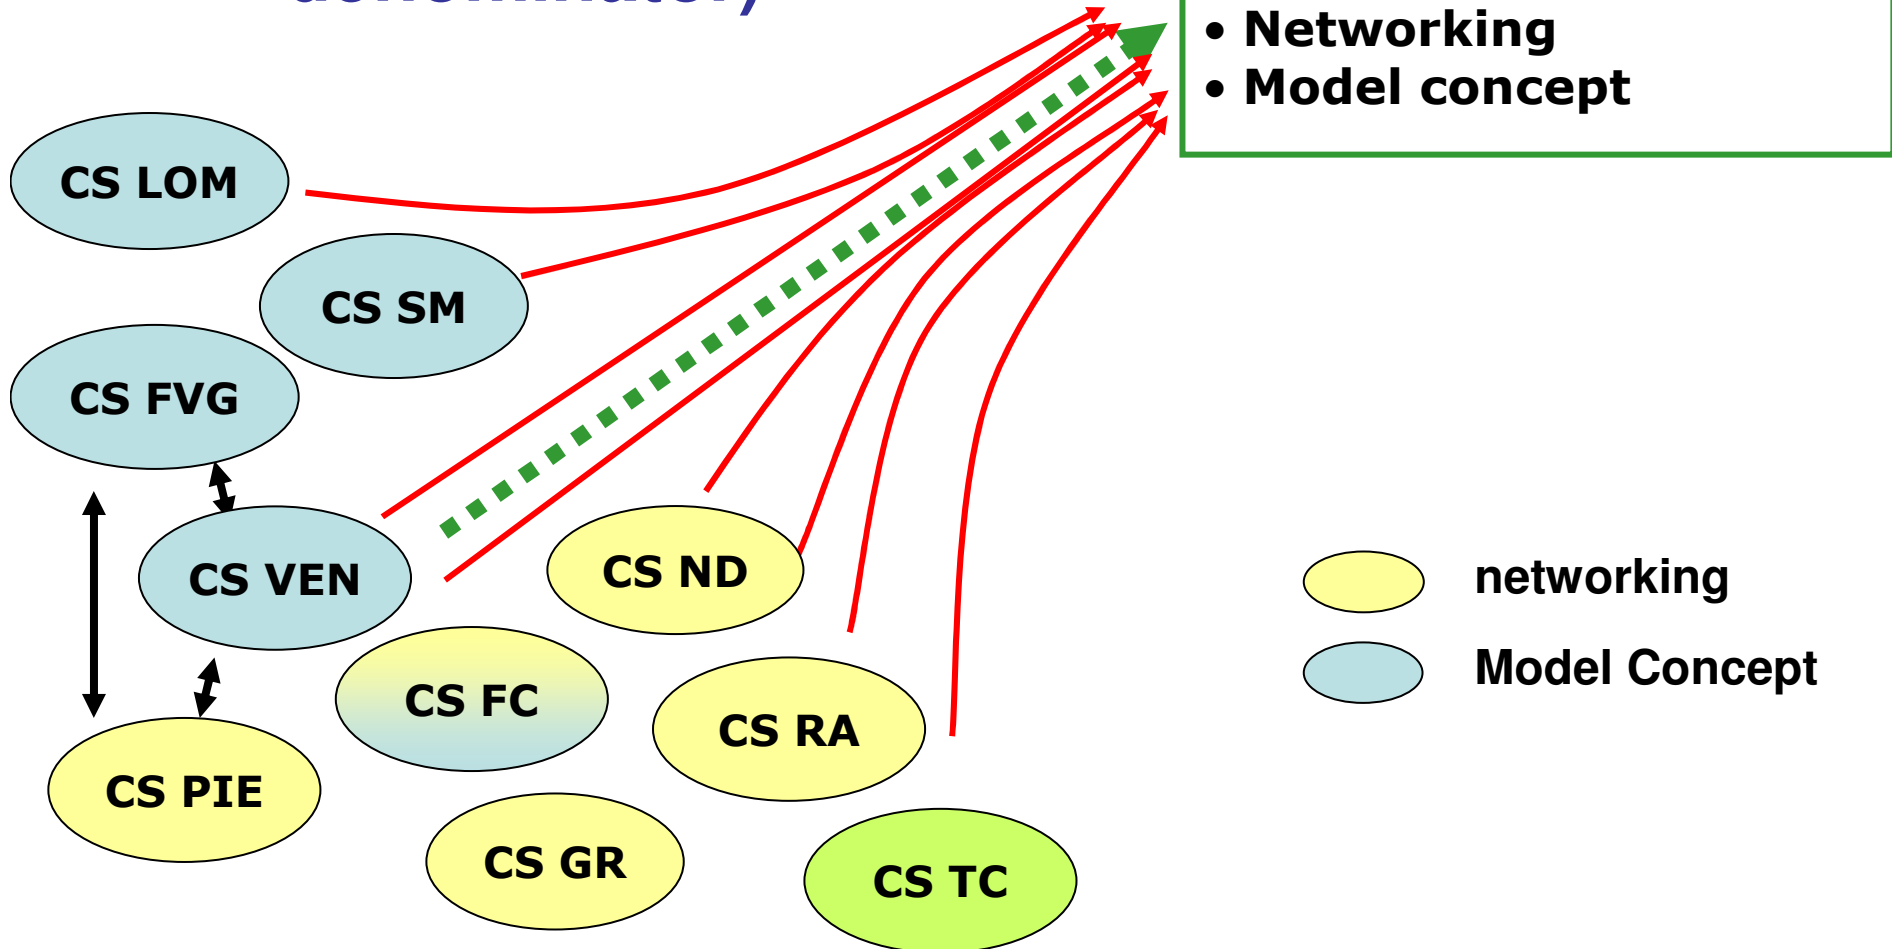

***FINAL CONFERENCE***  
***Pra Catinat***  
***16th October 2006***

*Loredana Alfarè – SSC member*

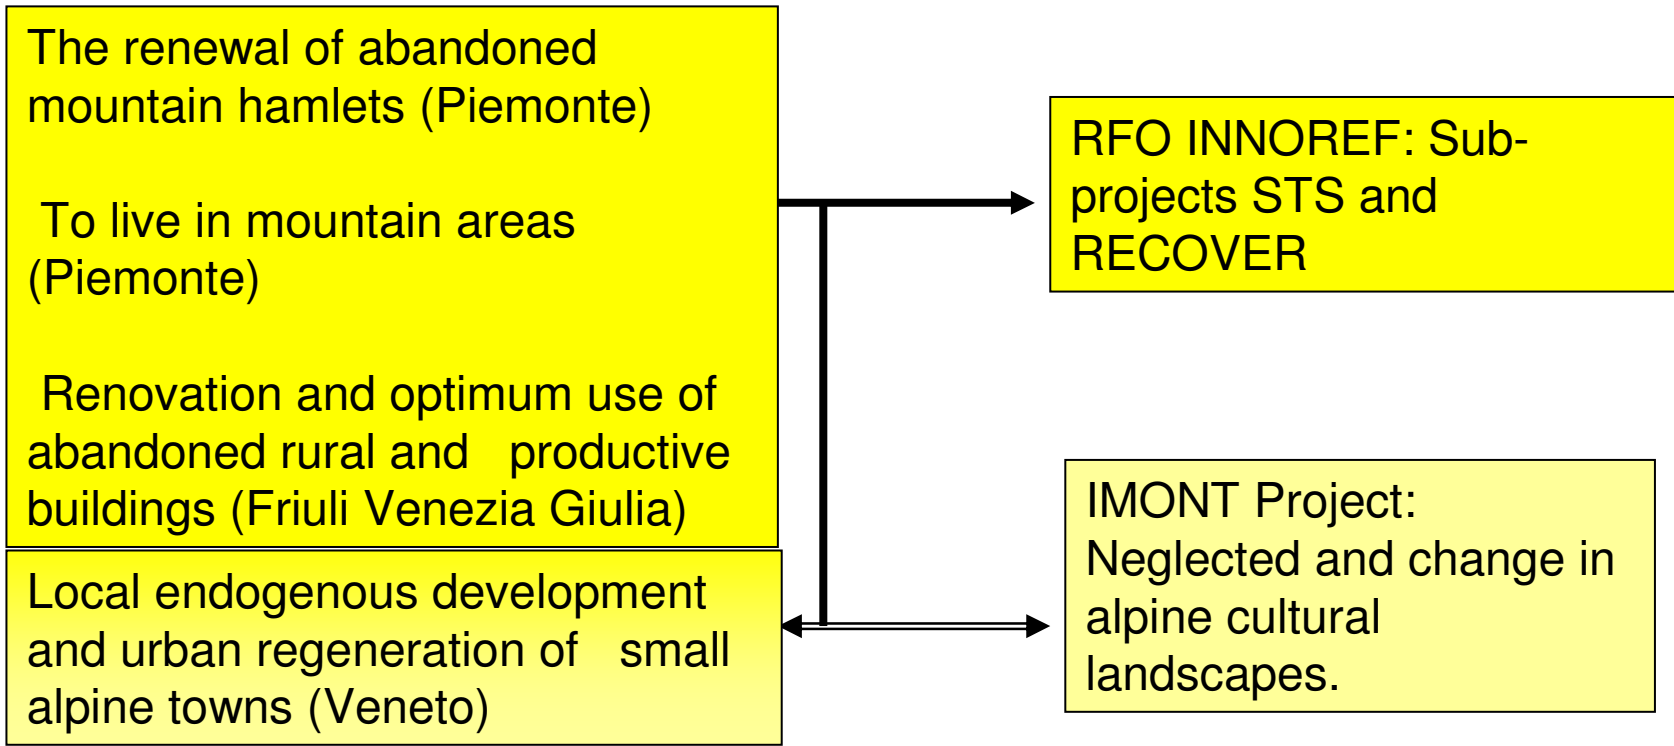

## RED LINE (common denominator)

# COOPERATION

# COOPERATION

**Environmental certification EMAS  
(Friuli Venezia Giulia)**

**INTERREG IIIC RFO INNOREF:  
Sub-project AEDES**

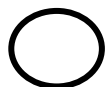

**CADSES: Project WAREMA**

**Public-Private Partnership development  
Grainau**

**Alpine Space: Project Dynalp**

Piemonte

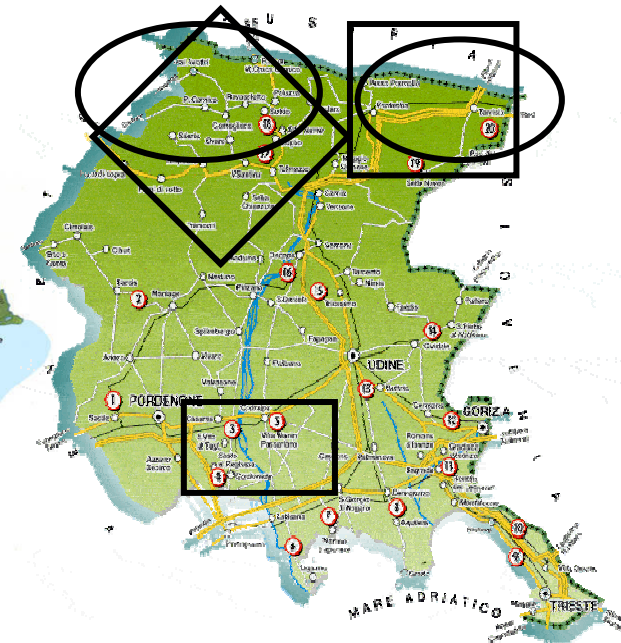

AlpCity case studies

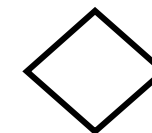

Veneto

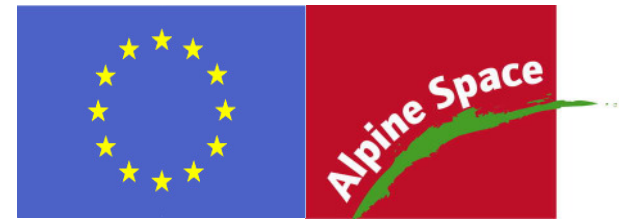

Recover-Aedes Projects

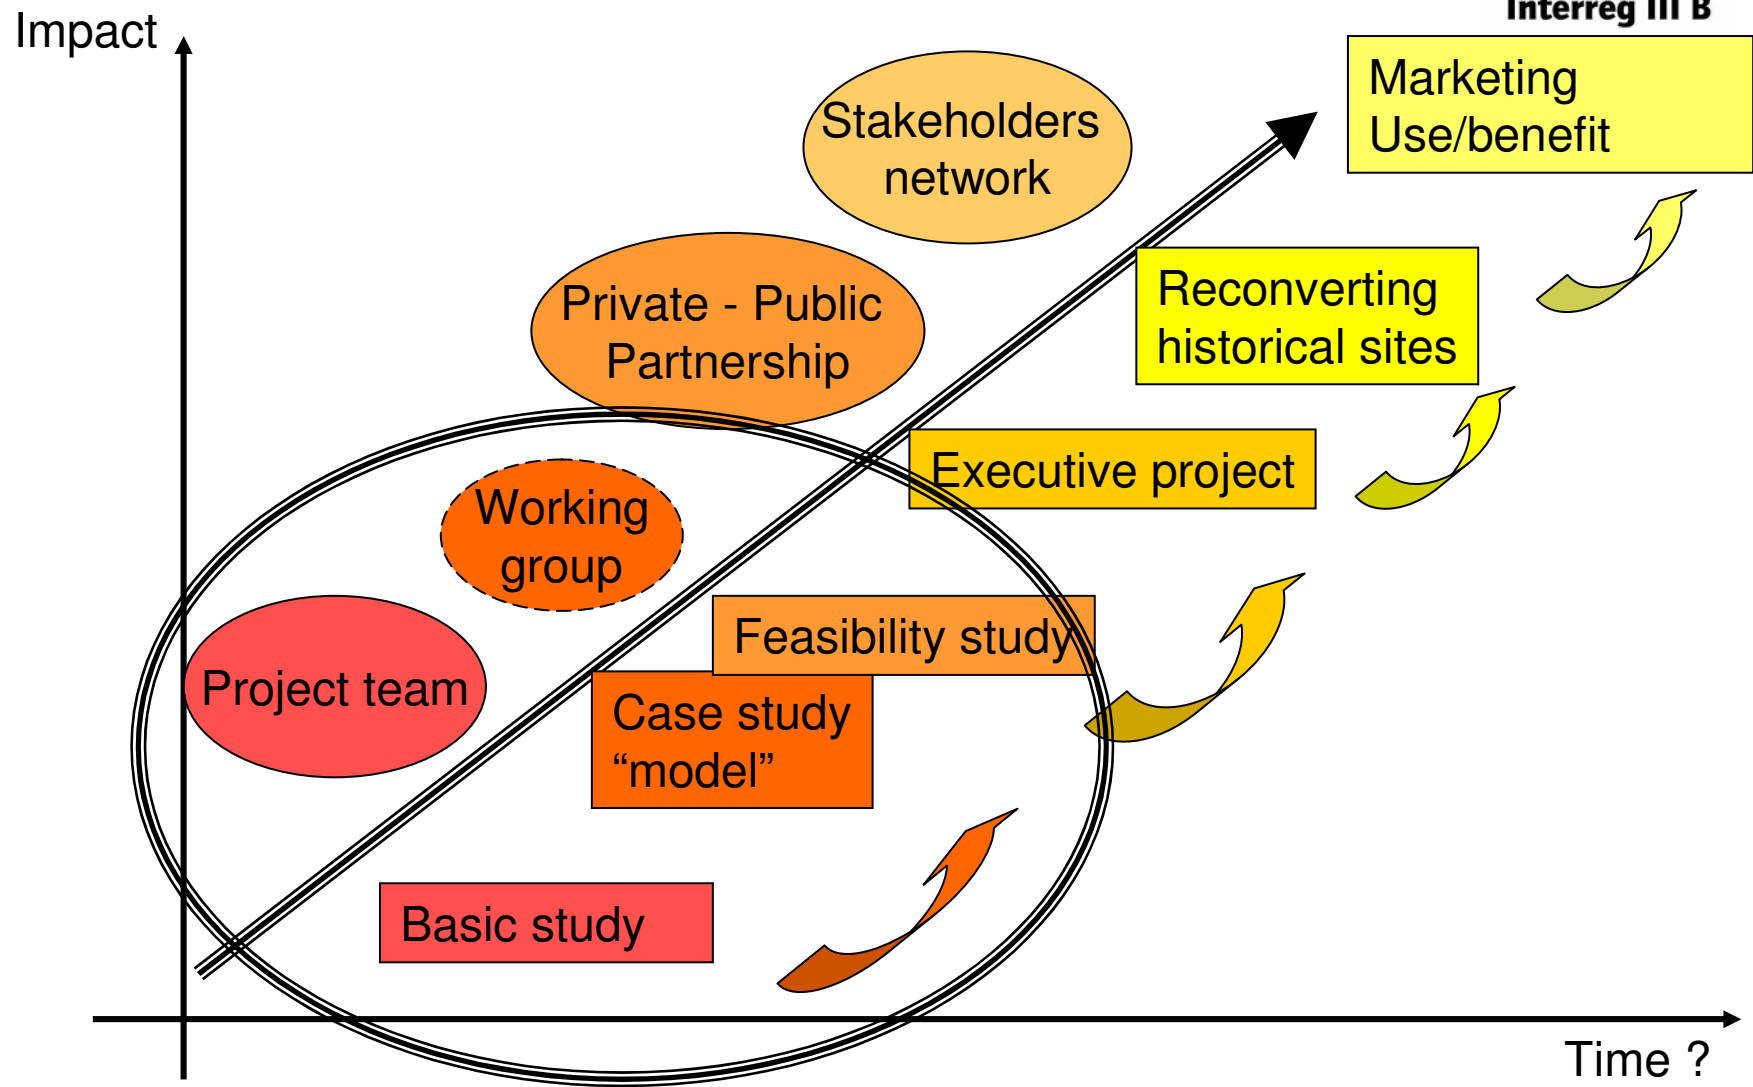

Friuli Venezia Giulia

Warema

**Interreg III B**

## RESULTS

### Follow up:

**Best Practice Observatory**

**Friuli:** WAREMA

**Lombardy:** Objective 2 Measure 1.11

**Grainau:** Dynalp

### Knowledge transfer:

**Best Practices; model case studies;  
Methodology; technical assistance system;  
policy guidance; specific recommendations for small  
alpine towns;  
co-operation within and outside AlpCity**

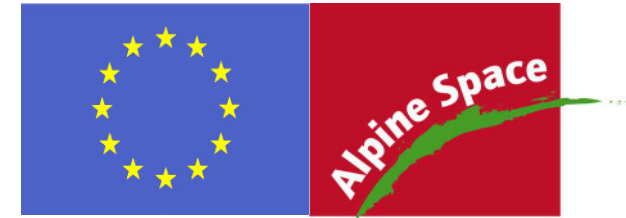

**Franche-Comté and Rhone Alps:** support among regions  
and local authorities;

**Niederosterreich:** participation process ws;

**Lombardy:** co-operation model among retailers;

**Grainau:** integration of different sectors;

**Friuli, Veneto, Piedmont:** set of different tools for improving  
management and to draw regulations

**Interreg III B**

## **LESSONS LEARNED AT CASE STUDIES LEVEL (1)**

**To have an external consultant as Moderator enhance the neutrality**

**Important to motivate people to attend workshops**

**Participatory approach gives positive results if supported by a method**

**Local communities need technical support due to lack of capacity building**

**Important to ensure a follow-up**

**To optimize time in collecting data – limited time**

## **LESSONS LEARNED AT CASE STUDIES LEVEL (2)**

**Cooperation and dialog with stakeholders improve project performance**

**Optimisation of data collection**

**A mix of top-down and bottom-up approach is the best solution for technical projects**

**To build up networking takes time being a long lasting process**

**Limitation of time and money for implementation**

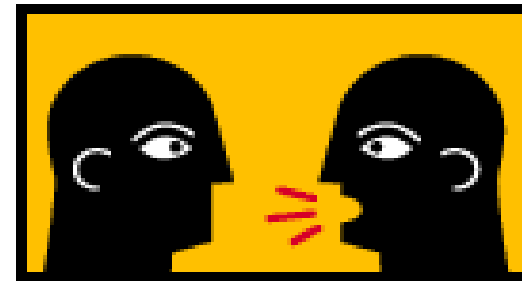

**More training and information about best practices to emulate**

**Integration of initiatives and resources in the region**

# LESSONS LEARNED AT PROJECT LEVEL

Communication is a key factor

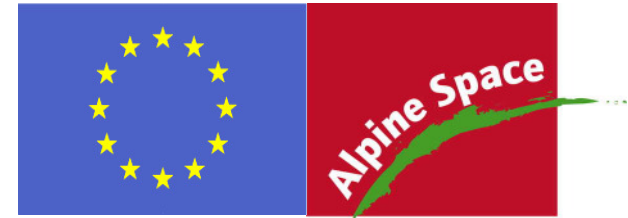

internal

external

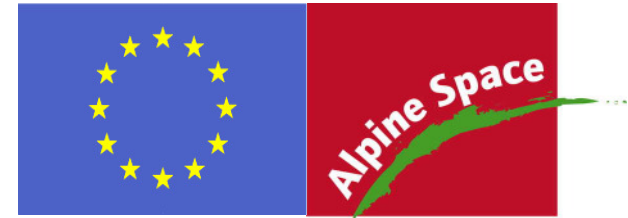

**Interreg III B**

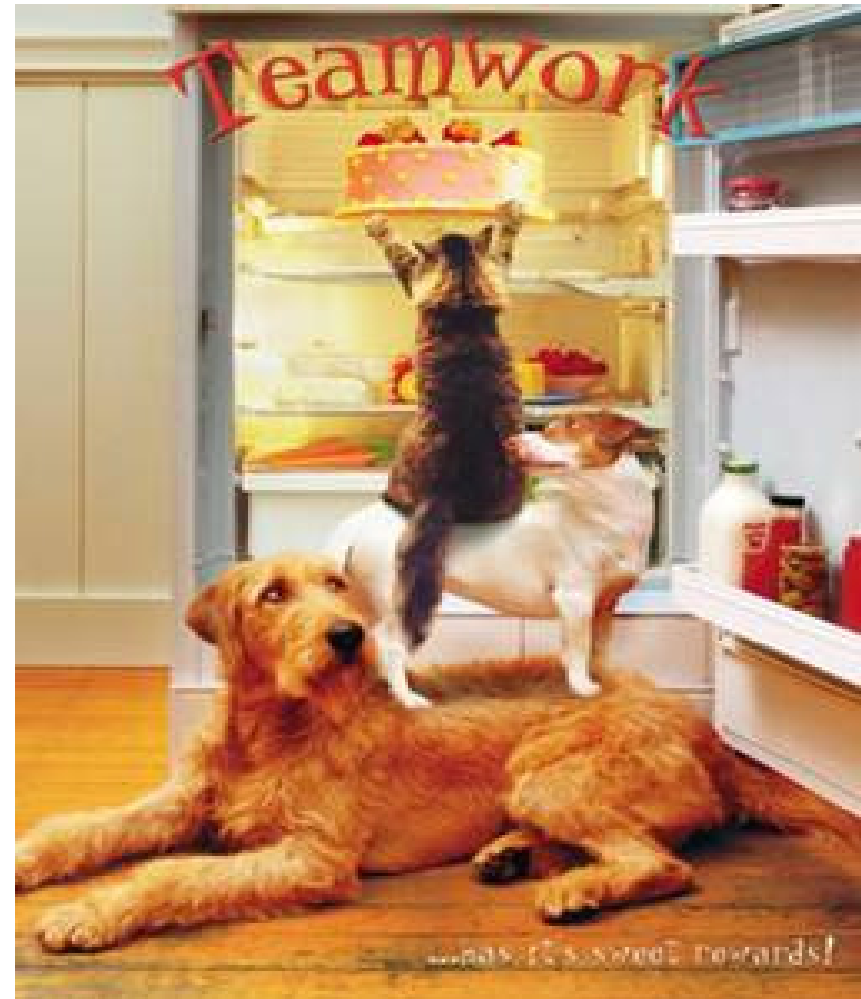

**Good Leadership  
ensure successful  
results**

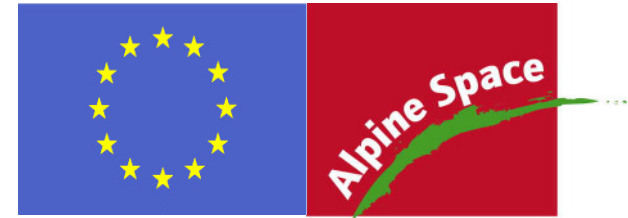

**Interreg III B**

**Team work is fundamental !**

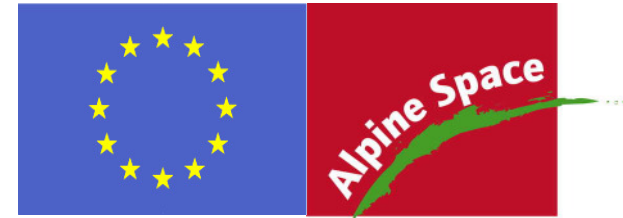

**Interreg III B**

**To overcome  
obstacles as:  
different rules and  
laws, language  
barriers,  
terminology,  
bureaucracy etc.**

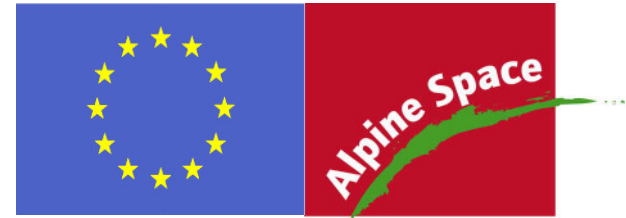

**Interreg III B**

**It needs to risk and  
find innovative  
solutions!**

**Interreg III B**

**Thanks for your attention!**
